that I believe should be expedited as well, and in my heart, I find it difficult to place priorities on legislation. We talked a lot about those who are incarcerated and I've entered into the discussion but sometimes we forget to talk about those where this all begins, in the young people who may be the first offenders, and sometimes we forget that there is where you may get the greatest reward from dollars invested. So I don't know. I know Senator Luedtke feels that this is a terribly important bill and I do to. SPEAKER: There is an objection, then.

CLERK: 25 ayes, 5 nays to expedite, Mr. President.

SPEAKER: The bill is expedited. At this time, I would like to introduce in the North balcony from Senator Cal Carsten's district 30 Burth, Fifth and Sixth grade students and 4 adults from Dunbar, Nebraska. Would you please stand and be recognized. Senator Lewis.

SENATOR F. LEWIS: Mr. Chairman, I have a request on the desk. I would like to take it up now.

CLERK: Mr. President, there is no request. It is simply the introduction of a new bill, LB 608, signed by Senator Frank Lewis at the request of the Governor. Read title. See Page 1566, Journal.

SENATOR F. LEWIS: Mr. Chairman, my request, then, is to, and the motion is up there, is to place this bill on General
